COOPER THE STAR OF CONTEST

Red and Black Team Score Comes
from Safety in First Period—Darkness
Requires Referee to Call Off
Play in Third Quarter—Wind Helps
the Panthers Considerably.

On the University Field at Brookland yesterday, the Eastern College, of Manassas, Va., defeated Catholic University's football team in a slow game, 22 to 2. Considerable time was taken out for the players who were not in condition. The Virginia boys outplayed the Catholics in every department of the game except in punting, where Hinchman had all the better of it. The contest had to be called, on account of darkness, in the beginning of the third period. Cooper and Norris played the stellar roles for the Eastern boys, while Tobin was the best for the losers.

The game opened up with the Red and White team kicking off to the university lads. Woodward received the ball, but was downed in his tracks. The Catholics could not gain any ground, and punted to Carroll who misjudged the oval and was downed near his goal line. The Eastern College boys then started a steady march down the field, but the Catholics boys held them for down on their own 5-yard line. Hinchman then punted out of danger. Carroll received the oval and rushed it back 20 yards before he was brought to earth by Tobin.

Eastern then lost the ball on an attempted forward pass, and Hinchman punted, the ball going over Carroll's head and rolling back to the goal line. Brooklanders Score.

Carroll started to rush the oval out, but was promptly set down behind the line for Catholic University's only score, a safety. The ball seen sawed up and down the field, the Eastern College boys having all the better of it for the remainder of the period, and the oval was in midfield when the whistle announced the close of the period.

The second period saw the Eastern College lads swamp the Catholics boys. They made four touchdowns and kicked two goals. Eastern's backs went around ends at will and also through the line. Cooper went over the line for the first touchdown of the game. Carroll kicked the goal. After the kick-off the Catholics boys tried to make a stand, but they could not pierce the college line, and were forced to kick. Carroll received the ball and brought it back to where it was kicked. On a tackle-through-tackle play

Norris was sent over for the second touchdown. Carroll missed goal. The university boys kicked off to Eastern, and again Eastern made a steady march for the Catholic boys' goal. When they reached the 10-yard line Carroll sent Cooper around end for his second score. Carroll kicked goal a minute later.

Cooper Makes Touchdown.

Again the Eastern College boys received the ball and started toward the goal line. Cooper was sent around end and got away from the bunch, but when he was tackled the oval flew from his hands. Curry was right behind him and grabbed the ball while on a dead run, crossing the line for the last score of the game. Carroll missed goal. Score: Eastern College, 22; Catholic University, 2. The ball was in the Catholic boys' territory all of the remaining time.

The third period opened by Catholic University kicking to Eastern College, and as they started up the field, bent on making another touchdown, the referee called the game on account of darkness. Line-up and summary:

RED SOX'S PLAYERS MUST GO.

Taylor Starts to Weed Out Malcontents from His Club.

Boston, Nov. 11.—Following out his policy of weeding out the malcontents from his ball club, President John I. Taylor, of the Red Sox, has asked waivers on eight of his 1910 staff of players. Who the players are President Taylor would not say, but Pitcher Joe Woods' name heads the list.

"I aim to have harmony and satisfaction among my players next year. If I have to dispose of the entire eight players, and even others," said President Taylor this afternoon. "Most of the number I have asked waivers upon are pitchers, and I am satisfied that not one of the eight will get out of the American League."

"They are all good ball players, who will do better work in other cities than they will here. At the American League meetings this winter expect to pull off deals for some of them."

Cornell Runners Chosen.

Ithaca, N. Y., Nov. 11.—The Cornell cross-country team was selected yesterday by John F. Moakley and left last night for Princeton to take part in the intercollegiate cross-country race to-morrow. Cornell has won the meet every year since 1901. The team is composed of Berna, the two-mile champion; Jones, who defeated Berna in the Pennsylvania dual meet; Major, Putnam, Kiraker, Stephenson, Longfield, and Capt. Brown.

WHAT'S THE MATTER WITH GEORGETOWN?

(Words by J. A. Lamorelle, "D.")

Alb.—"What's the matter with Father?"

What's the matter with Georgetown? They're all right.

What's the matter with 'Gits? They're too light.

To old Georgetown they will have to yield;

What's the matter with the field?

What's the matter with Georgetown? They're all right.

By WILLIAM PEET.

Washington's annual football classic, the Georgetown-Virginia game, will be played on the Hilltop field this afternoon, and although the Blue and Gray has defeated their rivals only three times since the teams have met on the gridiron, the West Side collegians enter the battle this afternoon as favorites, and are picked to win by all the local experts.

Coach Fred Neilsen, of Georgetown, who has all along taken a pessimistic view of the outcome, in a stirring speech

ker gets loose there is trouble ahead for the West Side collegians. The Virginia squad of twenty-two players and coaches arrived in town at 10:30 o'clock last night, and Trainer Langston sent the boys to bed just as soon as they had registered.

It was announced authoritatively that Cecil and Geyer would both be in the game for Virginia, the latter having fully recovered from his recent illness, and Cecil has been granted permission to play by his parents. The return of these big men will greatly strengthen the Orange and Blue line. Wood, the center, is also in pretty fair shape and will start in the game.

Additional seats have been erected for the game, and it is estimated that the biggest crowd in the history of the gridiron sport at the Hilltop will be on hand. The Georgetown cheering section will cut loose with the following songs and yells:

THE TOUCHDOWN.

Zingo! Zingo! Whang!

Touchdown! Georgetown!

The last time Georgetown defeated Virginia was in 1901, in that never-to-be-forgotten contest when, with 16 points against them, the wearers of the Blue and Gray scored 17 points and won in the last minute of play.

This game caused a breach of athletic relations until 1906, and since then the following football scores have resulted:
1906—Virginia, 12; Georgetown, 0.
1907—Virginia, 27; Georgetown, 0.
1908—Virginia, 5; Georgetown, 0.
1909—Virginia, 5; Georgetown, 0.
1910—Virginia, 22; Georgetown, 0.

The records of both teams this season are given below:

Virginia, 19; William and Mary, 0.

Virginia, 17; Randolph-Macon, 0.

Virginia, 21; Roanoke College, 0.

Virginia, 20; St. John's, 0.

Virginia, 28; V. M. I., 0.

Virginia, 3; Catholic University, 22.

Georgetown, 6; Seaside Seminary, 0.

Georgetown, 27; Washington College, 0.

Georgetown, 0; North Carolina A. & M., 0.

Georgetown, 32; W. & L. E., 0.

Georgetown, 0; Pittsburg, 17.

Georgetown, 12; North Carolina, 0.

A mass meeting of the Georgetown undergraduates was held in Gaston Hall last night, and the student body practiced the songs and cheers that will be used in the game to-day. The football team was seated upon the stage with the old coaches and graduates. Stirring addresses were made by the coaches and graduates.

Several presentations were in order after the addresses. The football used in the game played at the American League Park on November 17, 1900, was presented to the athletic association by Dr. S. L. Owens. Georgetown won both of these games, the first 10 to 0 and the latter 17 to 18. The other presentations were the running trunks Arthur Duffey wore when he lowered the record for the 100-yard dash. These were presented by Mr. S. Edmonston.

Houck Defends Mantell.

Providence, R. I., Nov. 11.—Leo Houck, of Philadelphia, won a clean-cut decision over Frank Mantell, of Pawtucket, in a fifteen-round bout before the Rhode Island Athletic Club to-night. The fighting was fast from the start, but Mantell was never dangerous.

SEATTLE GOLD RECEIPTS.

Ten Million Dollars from Alaska and British American Mines.

Seattle, Nov. 11.—The United States assay office here reports that the receipts of gold from January 1 to November 8 from Alaskan and British American mines was \$10,507,821.94. Of this \$3,309,106.75 came from Alaska; \$1,036,296.03 from British Columbia; and \$6,162,419.16 from the Yukon territory. Other sources in Canada contributed \$64,994.41.

The small showing of the Canadian Yukon is attributed to the fact that the Guggenheims now ship gold direct to their smelter, near San Francisco.

Receipts from Alaska by districts, as shown by the assayer's report, put the Tanana or Fairbanks district in the lead with \$4,141,407.24. Nome follows with \$3,576,584.23, and the Iditarod, with \$787,497.87.

WINS COFFIN BY WAGER.

Los Angeles, Ind., Nov. 11.—M. G. Tindall, undertaker, but former Sheriff John Burk a \$150 coffin that Judge Sparks would be re-elected. Alonzo Blair was victorious, and Wednesday Tindall showed Burk the casket he had won and offered to send it around to the house.

"I don't need the thing now," protested Burk, visibly disturbed. He refused to permit it to be sent to his home and Tindall refuses to pay the bet unless it is sent to the house.
